

Shaping Cricket in Bristol

Are you part of the BAME community in Bristol?

We want to hear your views on how cricket can be improved and how cricket can contribute to your community.

Join us at the Brightside Ground, Nevil Road, Bristol on **Sunday 10th March from 11am-1pm.**

Free Ticket
to everyone that
attends to matches
featuring Pakistan,
West Indies or
Afghanistan

Special guests include BBC News Presenter Sabet Choudhury and Ex Gloucestershire CCC professional and current Head of Strategy at the ECB, Vikram Bannerjee.

GLoucestershire
CRICKET BOARD

To attend, and qualify for your free ticket, please RSVP to chris.munden@glosccc.co.uk stating your name and your role in cricket or in the Bristol community.

Your chance to shape the future of cricket in Bristol

We want to ensure that cricket is a game for everyone; full of great experiences whether you play, watch, follow, or work in the game. We also want to ensure cricket plays its part in supporting communities to thrive.

To help us improve, we need to hear your feedback, ideas and thoughts on how we can do this for our BAME (Black and Ethnic Minority) communities in Bristol.

Gloucestershire Cricket is hosting a consultation workshop where you can let us know what you think and help us make cricket a better experience for all.

At this event, we will listen to your views. Your ideas and insights will help us build our future plans.

Maybe you are a community leader, regular player, casual player, volunteer, coach, school teacher, an armchair fan or parent whose children love the game – whether you play any form of the game, are involved in cricket or not, everyone is welcome.

This is a chance to make your voice heard and we are looking for your support.

Everyone who attends will be entered into a raffle to win 2 tickets for England VS Pakistan on Tuesday 14th May. This event will include free food and drink for all that attend, consisting of a BAME designed menu.

Email chris.munden@glosecc.co.uk to register to attend, stating your name and your role in cricket or in the Bristol community.
